**DEEDEE'S SCHOOL VISITS ARE:**

## 1 AFFORDABLE

**OFFSET THE COST OF A VISIT  
WITH BOOK SALES**

By giving your school, teachers and students a chance to order their own Make A Way Media books, we are able to keep visits affordable for all schools.

## 2 EDUCATIONAL

**ALIGNED WITH COMMON CORE  
STANDARDS**

Deedee's author visits count as instructional time! She also provides access to classroom activity kits for each book so that your teachers can use Make A Way books to support kids in the classroom.

## 3 INSPIRATIONAL

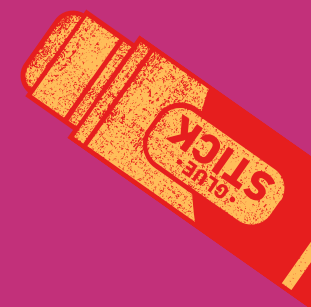

**ENCOURAGE KIDS TO DREAM BIG**

Your students will walk away from Deedee's visit inspired and motivated to run toward their dreams. When kids see themselves in a book, and are reminded of all they are capable of, the impact can last a lifetime.

# DEEDEE'S AUTHOR VISITS ARE ONE OF A KIND

## 1 CUSTOM PRESENTATIONS

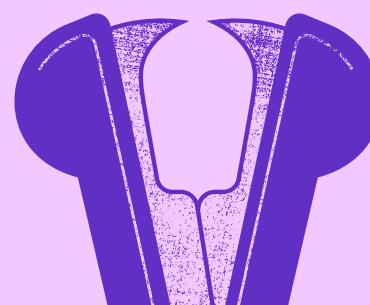

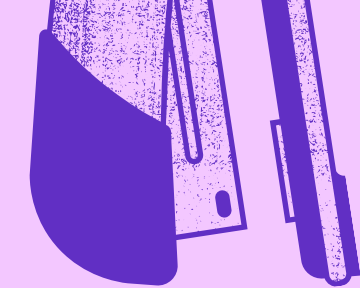

Deedee's visits are so much more than just story time. She customizes each visit to the school's needs and desires. Your visit could be a pep talk, a writing workshop, or an assembly full of social emotional learning tips (just to name a few). As an author, therapist, lawyer, and professional dreamer, Deedee has a plethora of expertise to share.

## 2 CUSTOM PRICING

Because each visit is unique, so is the pricing. Deedee does offer a standard visit package, that can be as low as \$900 when combined with book sales. However, our main goal is to inspire kids and help them fall in love with reading.
